

FAQ's of the Markham Golf Dome Junior Camp Program

What are the ages of the Junior Campers?

Our minimum age is 4 years old to a maximum age of 14 years old. Campers will then be separated into groups according to age.

Do they require golf clubs?

If your camper does not currently have golf clubs, we have clubs available for a weekly rental rate. In addition, we offer great deals in our pro shop on junior sets as well.

What is a Certified Golf Professional?

A Certified Golf Professional is one who has been professionally trained through a recognized Golf Teaching program. Only Certified Golf Professionals will handle the instructional elements of the curriculum.

What are the ratios of the Camp Counselors to Junior Campers?

In every camp, our goal is to have one Counselor to every eight campers.

How are the groups divided? Age? Gender? Skill Level?

Generally the campers are divided into groups according to their age.

What is the difference between the Full Day Camps and the Half Day Camps?

More Games, More Learning, More FUN! The second half of the day will include further instruction from one of our Golf Professionals as well as practice time, snack time, and contests.

What do they eat as part of the Meal Plan? Are there vegetarian alternatives?

Our goal is to keep the campers energized and hydrated. The campers will enjoy a variety of healthy snacks and meals during the week. Meals may include pizza, hamburgers, sandwiches, chicken burgers and hot dogs accompanied by a side of fruit of the day or a fresh baked cookie. We can accommodate vegetarian or other dietary alternatives to meals throughout the week if requested.

What if it rains on the day of the camp?

Our facility has both indoor and outdoor areas. In the event of rain, we simply head inside and make use of the indoor driving range, putting green and bunker areas.

How do I register my child for the camp? What is the earliest/latest that they can sign up?

Campers may register using the Registration Form available on our website at <http://www.markhamgolfdome.com/junior.php> and filling out the form and email info@markhamgolfdome.com. You can also call and register or simply visit the Markham Golf Dome and registering at the Proshop. Registration will begin at the end of January, the website will have updates. You can normally register up to the Friday before the camp week begins, but it must be done in person at that point. Registrations via email will stop mid-June.
